I highly recommend the services of Michelle Davis, 3<sup>rd</sup> Coast Wellness. I began using the nutrition products in May 2009.

I have always used nutritional products and after speaking with Michelle I chose to try the program that was best for me. I found that the knowledge Michelle has of her products was reassuring.

From the beginning Michelle checks with me to make sure that the products are working for me. To check if I have any questions and if any changes need to be made. I feel confident if I have any questions or concerns my answer is only a phone call or email away. A prompt response is always given.

Since working with Michelle, I am finding the products are exceeding my expectations. I recently began my husband on the men's nutritional vitamins as well.

Please consider taking advantage of Michelle Davis, 3<sup>rd</sup> Coast Wellness products. I guarantee you will feel better.

Sincerely,
