To Whom it May Concern:

I have had the pleasure of using Margaret O'Brien's Real Estate services 3 times in the past 5 years; selling 2 homes and buying one home. Each time Margaret proved that her interest was what was best for me, the client.

Because Margaret understands the market, she was instrumental in selling my fiancés' home within 2 months of its listing. In addition, I was able to sell my condo the very day it went up for sale.

As buyers, Margaret worked with us diligently and showed the patience of a saint over our 2 year search for just the right home to begin our new lives together. Once we found the perfect home she remained in negotiations for months with the unrealistic sellers until we came to an agreement.

Margaret's realistic assessment of the Real Estate market makes buying and selling a home easy. She is reliable and personable,

I highly recommend Margaret O'Brien to a first home buyer or a seasoned home owner.

You won't go wrong with Margaret O'Brien as your Agent.

Sincerely,
