Ref: Testimonial for Ray Shafer*

Dear Sales Team

After a very windy rain storm my bathroom ceiling was compromised and water damaged. I gave Ray Shafer a referral for the repairs.

I'm happy to report that the price was fair and the work was done to the specs and within the time frame quoted.

The finished job was done very professionally and the clean up was great. I would recommend Ray and his plastering service to anyone who is looking for a fair and professional job.

Respectfully submitted

Kenn Livingston
